We cordially invite you to participate as a Sponsor of the 5th Annual Wade's 5K for 5P-. Wade's 5K for 5P- is an annual running and walking fundraising event that supports Wade Jones, other local children with 5P- Syndrome (Cri du Chat), and the 5P Minus Society. Five P- Syndrome is a rare genetic disorder that affects 1 in every 50,000 births. This event will raise money to assist families affected by Five P- Syndrome. Wade is 7 yrs old, lives in Monticello and was diagnosed with 5P- when he was 4 months old.

The proceeds from this event will assist the 5P Minus Society in spreading awareness and education to affected families and their service providers. A portion of the proceeds will also assist local children with ongoing therapy and educational needs as well as provide an avenue for families to connect and encourage other 5P- families.
